

What will we get out of this?

- Learn processes that will help you and others reach a shared and deeper understanding of children's challenging behaviours, disabilities and un-met emotional needs. Discover richer strategies and educational responses to hard to reach young people.
- Support to develop multi-agency working around individual young people.

ABOUT THE FACILITATORS

Laura Chapman, Disability Equality Trainer joins Derek Wilson and Colin Newton, co-founders of Inclusive Solutions who have combined experience of over 35 years working as educational psychologists across the UK, most recently as Senior and Principal educational psychologists in Nottingham City LEA. Jackie Dearden works as an Associate of Inclusive Solutions and is also a Senior Educational Psychologist with responsibility for children in public care in Nottingham City LEA. Making Inclusion Happen

Inclusion in the early years

Need training or development work on Inclusion?

'INCLUSIVE SOLUTIONS' can help

**We provide inclusive, creative and practical tools
that help everyone to belong.**

Comprehensive Training, Planning and Consultation
Opportunities for Early Years Teams and Partnerships across
the UK from **Psychologists and Trainers who
specialise in inclusion.**

Our mission is: **Making Inclusion Happen!**

'Inclusive Solutions' can support you in many ways!

**We are training with Early Years providers in
many LEAs including Nottingham City, Durham,
Oxfordshire and the London Boroughs of
Lambeth and Southwark.**

Inclusive
Solutions

We can:

- **Lead your visioning and problem solving as you plan for the future in early years settings.**
- **Set up a circle of friends for a child using our approaches to the intentional building of relationships.**
- **Provide you individually designed training days, key notes and seminars.**
- **Offer top quality 'disability equality' training**
- **Arrange consultation on your difficult to solve issues**
- **Support your policy writing in light of new SEN Code of Practice and the SEN and Disability Discrimination legislation and their implications for early years settings.**
- **Alert you to Research and Publications relevant to your needs**
- **Link you with others facing similar issues around developing inclusive practice.**
- **Help you build inclusive multi agency Support Services for families.**

INCLUSIVE SOLUTIONS makes available cutting edge practical strategies and ideas for developing effective inclusion in local mainstream classrooms, schools, colleges and communities

Who is our work aimed at?

Early Years Providers
Teachers
SENCO's
