Join us for 1 or for 2 days 'hands on' training about Person Centred Planning in this intriguing venue in the heart of Nottingham City. We explore the values, tools and processes that can be used *with* a person not done to or for them. PATH is a respectful planning process that focuses on capacity and contribution. Whilst PATH is not simply a 'special needs' tool, it can be used successfully with disabled or challenging children, young people or adults.

Person Centred Planning using PATH

Facilitated by Colin Newton and Derek Wilson

19th and 20th March 2020

at *Peggy's Skylight*, Nottingham
